Principal’s Message

Dear Mums, Dads and Carers

I like the story of the little boy who fell out of bed. When his mother asked him what happened, he replied, “I don’t know, I guess I stayed too close to where I got in.”

It is so easy to stay where we got in because that familiar place is so comfortable.

I encourage you to pick a time in the not-too-distant past such as a year or two ago. Now ask yourself a few of these questions:

How does your life compare today with then? Are you happier today or then? Are you giving more of yourself today or then? How much have you grown since then? What have you learned since then? Do you have more joy today or then?

I am asking these questions of myself and of my school.

Terranora Public School is changing. We are trying to be more responsive to the needs of our students and community. I don’t want to make the same mistake as the little boy. I don’t want to stay too close to where I got in. It’s risky resting on the edge.

Congratulations to our rugby union players who are competing while I write this message. It is the first attempt at rugby union for many of our players and I am proud of their effort and willingness to compete. Thank you to Mr Lloyd and Mr Spencer for taking our players for a day of rugby.
Our swimmers were fantastic once again. Thanks to all the mums, dads, grandparents, staff and volunteers that support our swimmers throughout the year. Your giving is appreciated.

Congratulations to the 2016 boy and girl swimming champion: Dom and Lucy.

Thank you to our P&C for organising a morning tea for all the new Kindergarten families. This was a pleasant time for parents to get to know each other. Many more opportunities will follow with each and every Kindergarten birthday party.

Our staff were available for ‘Meet the Teacher’ on Tuesday afternoon. A small group of parents from every class took advantage of the opportunity to meet their child’s teacher and socialise. I am interested in some feedback on this format. I would be happy to hear your thoughts. Thank you to all teachers for staying back to meet with our families.
